

PICKING HEAT PLAYERS

Players are chosen as follows:

1. The managers in their respective divisions will vote on the top 15 kids in their division.
2. The top 9 vote getters automatically make the team.
3. The voting process is as follows:
 - A. A division manager is prohibited from voting for a girl on his/her team.
 - B. The first round of voting concludes with girls that receive a unanimous vote.
 - C. The second round of voting concludes with girls that receive all but one manager's vote.
 - D. The third round of voting concludes with girls that receive all but two manager's votes.
 - E. The fourth round of voting concludes with girls that receive all but three manager's votes.
 - F. The fifth round of voting concludes with girls that receive all but four manager's votes.
 - G. The sixth round of voting concludes with girls that receive all but five manager's votes.
 - H. The next 6 girls (numbers 10-15) on the board, are chosen as follows:
 - i. The first round of voting concludes with girls that receive a unanimous vote.
 - ii. The second round of voting concludes with girls that receive all but one manager's vote.
 - iii. The third round of voting concludes with girls that receive all but two manager's votes.
 - iv. The fourth round of voting concludes with girls that receive all but three manager's votes.
 - v. The fifth round of voting concludes with girls that receive all but four manager's votes.
 - vi. The sixth round of voting concludes with girls that receive all but five manager's votes.
4. After the 15 kids are on the board, the manager will be revealed. If the manager's daughter is not on the board, she is automatically on the team. She is the only player not on the list that the manager can choose. All other manager choices must be from the 15 girls on the board.
5. The manager has the option of taking 12 or 13 kids in 6U/8U.
6. The manager has the option of taking 11 or 12 kids in 10U/12U/14U/16U and 18U.
7. Kids, from the list of 15, not picked on to the team will automatically be on the Gray team.
8. The same process is followed to pick the rest of the Gray team.
9. The above stated process applies to a White team as well.
